RAIL PASSES

Railpasses offer a flexible, great value way to explore Europe. Simply choose the number of countries and the number of days you wish to travel. Booking a railpass over a number of individual sectors can result in major cost savings, especially in countries where a ‘Saver’ pass is available for two to five adults travelling on the same itinerary.

Railpass prices do not include seat reservations for individual rail sectors.

Examples of the railpasses on offer:

- **German Railpass** (from 3 days travel in 1 month)
- **Germany-Austria Pass** (from 5 days travel in 2 months)
- **European East Pass** (from 3 days in 1 month)

Passes include unlimited travel on the rail networks of the countries indicated except EUROPEAN EAST PASS which is unlimited travel on the networks of Austria, Hungary, Czech Republic and Slovakia.

Contact Beyond Travel and find out how you can save money travelling around Europe with our great value passes.

CAR HIRE

The most convenient way to travel around Eastern Europe is to hire a car and discover these fascinating countries with their historic cities at your own pace. European countries have comprehensive road systems and motorways linking the major towns and cities. Main roads are well maintained, with tolls required on most motorways.

Please contact Beyond Travel for rates, details and terms and conditions.

DISCOVER MORE TRAVEL CREDITS
Travel Credits can be applied to additional Beyond Travel services only that are featured in any of our 2015 brochures. Credit amounts vary by tour, and solo travellers receive 50% of the per couple amount. Credits expire 31 December 2015; services must be booked and outstanding payments made by this date. Discover More Credits are not combinable with any other offer, are invalid if the tour for which it was issued is cancelled, and have no cash value. Refunds can not be issued on unused amounts.

SOLO TRAVELLER CLUB
Our Solo Traveller Club is a Beyond Travel initiative designed to match solo travellers on our 2015 Special Journeys tour series who are willing to share room accommodation, saving on single supplements and offering an opportunity for companionship whilst travelling. Only travellers of the same gender will be matched and there are no guarantees that a match will be possible; if we are unable to find a match, single supplements will apply. To join, please complete the registration form available from our office or website and return it to Beyond Travel or your preferred travel agent. Special booking and payment conditions apply. Detailed conditions are outlined on the registration, and submission of the form is deemed consent to these terms.

TOUR CANCELLATION
Beyond Travel and its principles reserve the right to cancel any tour up to 4 weeks before departure. Should it be necessary to cancel a tour, alternative arrangements will be recommended, however if a suitable substitution is not found, a full refund will be offered. In the unlikely event that a Guaranteed Departures tour must be cancelled for reasons beyond the operator’s control, every passenger who has paid either a deposit or full payment will receive a credit of $200 per person if they transfer to another Guaranteed Departures tour.

TOUR CONDITIONS & SPECIAL REQUESTS
The services we provide are suitable for almost anyone and age is seldom an issue. An eagerness to be involved and a positive approach to travel will result in a satisfying and rewarding holiday. It is however your responsibility to ensure that you have a suitable level of fitness to undertake your chosen travel itinerary and you must inform Beyond Travel of any medical condition that may prevent your full participation.

For the enjoyment and safety of our passengers, Beyond Travel and its principles reserve the right to substitute hotels and amend itineraries if necessary to do so. If a re-routing of a tour is required, Beyond Travel will cover any additional costs associated with those changes within the dates of the particular tour. Any other changes (e.g. airline changes) which result in additional hotel nights, meals or other services are the responsibility of the passenger. Beyond Travel should be advised at time of booking of any dietary requirements or special requests, such as bedding preferences, non-smoking rooms, etc. Whilst we can not guarantee, we will endeavour to honour these requests where possible.

DOCUMENTATION
Documentation is normally issued within 4 weeks of your departure from Australia or New Zealand. Please note that seat reservations on most rail sectors are generally not available until 45-60 days prior to date of travel.

PASSPORTS & VISAS
Australian and New Zealand citizens must hold a current passport which must be valid for at least six months after your departure. It is the responsibility of the individual to obtain the required visas prior to departure. Failure to do so which results in the need to cancel travel arrangements will incur normal cancellation penalties.

INSURANCE
Cancellation and refund conditions are strictly enforced; therefore, we recommend that you carry comprehensive travel insurance which covers cancellation due to unforeseen circumstances or those beyond your control. Ask your travel agent or Beyond Travel consultant for a choice of policies.
